

*"Our agency has participated in the Premier Program for two years. We have found it to be a cost effective way to provide training to our staff without requiring them to travel and to make them aware of how other state programs address the problems we all face. The offering of topics has continued to improve."*  
~ Arkansas Office of Child Support Enforcement

NCSEA will again offer the Premier Education & Training Program to organizational NCSEA members, in both the private and public sectors.

The Premier Education & Training Program provides your organization the opportunity to train your entire office or staff on important issues before the child support community.

The program includes all Web-Talks in the 2015 schedule, one 2015 Policy Forum registration and one 2015 Leadership Symposium Registration. Additional sites or downloads are available at a significantly reduced rate of \$150 per registration.

Premier Program participants can take advantage of valuable networking opportunities with child support professionals from across the country at the Policy Forum and Annual Conference. These conference registrations, included in the Premier Education & Training Program, will provide professional development and a chance for key staff members to make important connections.

**The Premier Program is just \$3,200, and represents a total value of more than \$4,000.**

*Note: An organization must be a current dues paying member to purchase this program. The \$3,200 does not include the annual membership dues.*

*NCSEA can be a key part of your staff development and training program, through the Premier Education & Training Program. Coupled with registration for both NCSEA conferences, this valuable education package brings your organization hours of professional development and training.*

### **Potential Savings for 2015:**

**Free registration for each scheduled Web-Talk (Value \$2,950.00)**

**Additional copies of Web-Talks Available for \$150**

**One 2015 Leadership Symposium Registration (Value \$655)**

**One 2015 Policy Forum Registration (Value \$480)**
