

NCSEA 2021 Policy Forum Virtual Sponsorship Opportunities

As we continue to adapt to changes mandated by the COVID-19 pandemic, NCSEA is introducing virtual sponsorship opportunities for 2021 in lieu of the Policy Forum in-person sponsorships, as well as opportunities to put members of the private sector in front of the child support community throughout the year. We are disappointed to miss another chance to gather in person in Washington, D.C. in January; however, we again, are presenting options to connect virtually and make those important connections.

Plenary Sponsor

\$5,000 member/\$6,500 non-member
